

The Foundation for Civil Society is a not for profit non governmental organization providing grants and other capacity building services to civil society organizations to enable economically disadvantaged and vulnerable citizens to:

- Access information and understand laws, policies, and their rights.
- Engage effectively in policy monitoring and dialogue on poverty reduction.
- Contribute to social development and to constructively hold the government and private sectors to account.

The Foundation for Civil Society is pleased to inform the public that grants worth TZS. 1,269,036,177 were approved to support different civil society organizations to implement their projects.
